**Finish:** Reverse proof

**Denomination:** \$1 (each)

**Year of Issue:** 2022

**Mintage:** 3,000

**Country of Issue:** Solomon Islands

### The Coin

Although there has been much debate, it is generally agreed that the modern game of golf originated on the eastern coast of Scotland, not far from Edinburgh. In its early days, the sport involved hitting a pebble over sand dunes with the use of a curved stick. King James IV of Scotland famously became a player of the game in the 16th century, and after this royal endorsement, golf became an official sport, similar to the game played today.
