Coin Story:

This colourful Disney Silver Coin - Belle is the latest release in the charming Disney Princess Coin Collection and features the beautiful Belle in her signature yellow gown. Intelligent, beautiful Belle, dreams of adventures in the great wide world. When she first takes her father's place in the enchanted castle, Belle is frightened of the Beast. But as time passes, she sees the goodness inside him. With encouragement from the Enchanted Objects, Belle's courage and love break the spell that binds the Beast, and takes Belle on the greatest adventure of all - finding true love.
