The Coin

We're celebrating 100 years of Disney's Winnie the Pooh, the good-natured, honey-loving bear who has charmed generations. What better way to mark the occasion than with a precious tribute that captures him at his happiest: enjoying a pot of honey.

This officially licensed 1oz silver collectible is shaped and colored to bring Pooh to life in charming detail, complete with a bee perched on his finger and his beloved honey pot tucked under his arm. Can you spot the metallic color printing on his shirt and the honey pot? A true keepsake, crafted in 999 pure silver.
